## How to Pre-Pay for School Lunch

With the implementation of Horizon Fastlane Point of Sale system in our school cafeterias there are now several ways to pre-pay for your school lunch.

### **OPTION 1:**

Visit [www.Mealpayplus.com](http://www.Mealpayplus.com) to make a credit or debit card payment. The registration process is simple and only takes a few minutes. Once registered, you will be able to make payments, set up automatic payments, view your account balance and transaction history and set up e-mail alerts for low balance notifications. There is a \$ 2.00 transaction fee charged by Horizon Software International for on-line payments. This fee is per transaction, not per student. Payments can be made for multiple students at one time. There is no fee for the other services. If you experience any problems with the website, contact Horizon's support line at 1-800-859-6508.

### **OPTION 2:**

Call MealpayPlus at **1-866-705-9639** to make a credit or debit card payment over the telephone. Once registered, you will be able to make payments, set up automatic payments, view your account balance and transaction history and set up e-mail alerts for low balance notifications. There is a \$ 2.00 transaction fee charged by Horizon Software International for telephone payments. This fee is per transaction, not per student. There is no fee for the other services.

### **OPTION 3:**

Bring cash or check directly into school. Funds will be applied directly to your school lunch account. Please make checks payable to "Madison School Lunch Program" and include your name in the memo section.
