

Daniel Hand High School Students and Media Coverage

Madison Board of Education Policy #5180.4 provides guidelines for the use of schools or students for publicity purposes. The policy requires that parents be given the opportunity to withhold permission for interviews, photographs, and videotaping of their child at school. If you wish to withhold permission for your son or daughter to participate in school related publicity, please fill out the form below and return it to the Principal's Office as soon as possible. For topics of a sensitive nature featuring specific students, specific parental permission will be obtained. Remember that all Board of Education Policies are available for your review at each of the school buildings and at the Board of Education Offices at Town Campus and on the MPS website (www.madison.k12.ct.us).
